PLEASE NOTE

AS YOU REVIEW THE CONTENTS OF THIS BOOK YOU WILL NOTICE THAT SOME BRANDS ARE DIFFICULT TO RECOGNIZE. SOME BRANDS HAVE BEEN OVEREXPOSED AND OTHERS HAVE BEEN UNDEREXPOSED. THE ORIGINAL DRAFT OF THE BRAND PAGES THAT WERE PREPARED BY THE BRAND OFFICE ARE QUITE SATISFACTORY. THE METHOD USED BY THE PRINTING COMPANY TO RE-PRODUCE THESE PAGES IS WHY THE FINAL DRAFT APPEARS UNSUITABLE.

THIS SUPPLEMENT BOOK WILL NOT BE RE-PRINTED SO THIS BOOK WILL HAVE TO SERVE THE PURPOSE IT WAS INTENDED FOR. ON PAGE 46 BRAND #73 SHOULD BE . IF THERE ARE OTHER BRANDS THAT CANNOT BE RECOGNIZED YOU WILL HAVE TO CONTACT THE BRAND OFFICE IN STETTLE AT 742-7565 FOR PROPER CLARIFICATION.

PREFACE

This Supplement to the 1986 Alberta Brand Book is compiled from the official records in the Brand Recorder's Office, Provincial Building, Stettler, and contains a record of new brands registered, expired brands which have been reissued, and brands which have been transferred during the period from April 1, 1986 to April 1, 1988.

Extensive care has been taken to ensure accuracy, however if an error is found, the Recorder of Brands should be notified.

Cattle Brands are arranged separately from Horse Brands. The general arrangement followed is alphabetical and numerical. In every case, the first letter or numeral of a brand determines the place of the brand in the Book. Anchors \downarrow , Triangles \triangle , Diamonds \diamond , and Boxes \square , which are preceded by a letter or numeral, are indexed under that letter or numeral. Where they precede a letter or numeral, they are found between the numerals and Arbitrary Signs. The brands are shown in the following sequence according to alphabet: Single Characters, Hanging Characters, One Character Over Another, Monograms, Two Characters In A Line. Brands of an Arbitrary Design, that cannot be otherwise classified, will ensue the Cattle and Horse sections respectively, but any brand containing a letter or numeral preceeding an Arbitrary Design, will be found under that letter or numeral.

The brand $\overline{A2}$ will be found under the letter A, while the brand $2A$, would be listed in the numerals.

The regulations covering registration of Brands state that Quarter Circles are shown with the points away from the two characters, for example: $\overline{U4}$ or $\overline{U4}$, Half Diamonds with the points towards the two characters, for example: $\overline{U4}$ or $\overline{U4}$.

ABBREVIATIONS

To condense the material of this Book as much as possible, the following abbreviations have been used:

Dear Sir or Madam:

Pursuant to your request to register a horse and/or cattle brand, we have enclosed a brochure and an application form. Read the brochure completely before applying and pay particular attention to pages 6 and 7 for brand design. Please note that only numerals, letters, \downarrow 's, Δ 's, and \diamond 's can be issued with symbols such as $-$, \wedge , and \smile , above or below. Two character brands can be placed one over the other without a symbol, $\frac{H}{T}$ or side by side with a symbol above or below \widehat{JK} , for both horses and cattle. Running bar brands such as $-LR$ and three characters in a line such as xxx are for ribs of cattle only. Horse brands may be a one character brand with a symbol above or below such as \overline{S} or a running bar such as $-Z$. Three characters in a line cannot be registered for horses.

The application must be completed with your full name, address and land location of pasture land or ranch.

The cost is \$5.00 per brand position, and cheques or money orders should be made payable to the PROVINCIAL TREASURER. Please enclose this amount with your completed application form.

Yours truly,

B. L. Ettinger
Brand Recorder
